

GASCOYNE LONDON

Payment Details

Thank you for renting a property from Gascoyne London.

This leaflet contains details for paying your rent. It is important that the correct rent be paid on time. We would recommend setting up a 'Regular Payment' directly from your bank account to ours. This will bring peace of mind that your rent is paid when it is due.

This type of payment is authorized by you with your Bank or Building Society and is controlled by you. Gascoyne London will not be able to withdraw money from your account or adjust the amount of the payments.

Property Reference Code

We will provide you with a 'Tenancy Reference Code' for your flat. It is very important that you always quote this code as a reference with your rent payments. It informs our accounts team as to which flat to credit.

We can also accept cheques or cash for rent payment. **We do not accept any type of card payment at present.**
